

Don't go outside

- We're going to be programmers, and programmers don't go outside.
- There's a COVID-19 pandemic, so REALLY don't go outside.
- Due to the COVID-19 pandemic, I'm home watching my kids (and some of you are too).
- I don't have much time to work on anything, including this class.
- The slides will suck.

How grading will work
